Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 1 p.m. Thursday, March 4, in the third floor conference room, Kansas Insurance Department, 420 S.W. 9th, Topeka, to consider the adoption of proposed changes in an existing rule and regulation.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to Deletria Nash, Kansas Insurance Department, 420 S.W. 9th, Topeka, 66612-1678. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Deletria Nash at (785) 296-7811.

Copies of the regulation and the economic impact statement may be obtained by contacting Deletria Nash. A summary of the regulation and its economic impact follows:

K.A.R. 40-2-14b. Life insurance and annuities; recommendation standards, supervision standards. This regulation establishes the requirement for a compliance program as it pertains to the sale of variable products to consumers. It also puts insurers on notice that the failure to comply with this regulation constitutes a violation of Kansas law and sets out the requirement for companies to maintain records of relevant information pertaining to each transaction.

The economic impact on the companies and the Kansas Insurance Department is minimal because many companies currently have record retention policies and compliance programs in place. The Kansas Insurance Department can verify that companies are complying with the regulation while conducting examinations of companies as required by law. There is little or no economic impact on other governmental agencies.

Notice of Intent to Amend the
Medicaid State Plan

Under the Medicaid program, the State of Kansas pays intermediate care facilities for the mentally retarded (ICFs/MR) a daily rate for care provided to residents who are Medicaid eligible. This notice is to advise that SRS is proposing the following:

1. No rate increases effective October 1, 2003.
2. Rate reductions for all ICFs/MR effective January 1, 2004.

In Attachment 4.19D, Part II, Subpart 0,
Exhibit 0-1, page 8:

Limit Adjustment

Annually, prior to October 1, which is the anniversary date to this rate-setting methodology, the CPA firm that processes the ICFs/MR rates develops an analysis of the rates and costs of all ICFs/MR in Kansas. The rates paid are compared with the actual allowable costs incurred by the facilities.

After this is done, the total amount of actual allowable costs for each facility will be compared to the amount to be reimbursed for these facilities under the current limits. The total number of facilities that are determined to be reimbursed 90 percent of the actual allowable costs is then divided by the total number of facilities.

When this analysis is complete, the Secretary of Social and Rehabilitation Services will review the results and make budgetary decisions. For fiscal year 2004 ICFs/MR, the budget was reduced 10 percent. To meet the budgetary adjustment all ICFs/MR, daily rates will be reduced by 2.5 percent effective January 1, 2004. The total projected budgetary adjustment reduction equals \$237,153 through the remainder of FY 2004.

The new proposed rates are subject to the Secretary of Social and Rehabilitation Services' (or designee's) review and approval.

The difference between the highest rate specified and the lowest rate specified cannot exceed 4 percent. No bid shall be for less than 98 percent of the total principal portion evidenced by the Series A, 2004 Certificates and accrued interest thereon to the date of delivery will be considered. No bid shall be for less than 98.5 percent of the total principal portion evidenced by the Series B, 2004 Certificates and accrued interest thereon to the date of delivery will be considered. Each bid shall specify

the total interest cost (expressed in dollars) during the term of the lease on the basis of such bid, the discount, if any, the premium, if any, offered by the bidder, the net interest cost (expressed in dollars) on the basis of such bid and the average annual net interest rate (expressed as a percentage) on the basis of such bid. Each bidder shall certify to the college the correctness of the information contained on an official bid form; the college will be entitled to rely on such certification. Each bidder agrees that, if it is awarded the Series A, 2004 Certificates or the Series B, 2004 Certificates, it will provide the certification as to initial offering prices described under the caption "Certification as to Offering Price" in this notice. **There is no requirement that a bidder bid on both the Series A, 2004 Certificates and the Series B, 2004 Certificates.**

Basis of Award

The award of the Series 2004 Certificates will be made on the basis of the lowest net interest cost (expressed in dollars), which will be determined by subtracting the amount of the premium bid, if any, from or adding the amount of the discount bid, if any, to the total interest cost to the college. If there is any discrepancy between the net interest cost specified and the interest rates specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the Board of Trustees of the college will determine which bid, if any, will be accepted, and its determination is final.

The college reserves the right to reject any and/or all bids and to waive any irregularities in a submitted bid. Any bid received after the submittal hour on the sale date set forth above will be returned to the bidder. Any disputes arising hereunder shall be governed by the laws of Kansas, and any party submitting a bid agrees to be subject to jurisdiction and venue of the federal and state courts within Kansas with regard to such dispute.

Certification as to Offering Prices

To provide the college with information necessary for compliance with Section 148 of the Internal Revenue Code of 1986, as amended, the successful bidder will be required to complete, execute and deliver to the college prior to the delivery of the Series A, 2004 Certificates and the Series B, 2004 Certificates, a certificate regarding the "issue price" of the same (as defined in Section 148 of the code), reflecting the initial offering prices (excluding accrued interest and expressed as dollar prices) at which a substantial amount (*i.e.*, 10 percent or more) of the Series A, 2004 Certificates and the Series B, 2004 Certificates of each maturity have been or are expected to be sold to the public. The term "public" excludes bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers. Such certificate shall state that 10 percent or more of the Series A, 2004 Certificates and the Series B, 2004 Certificates of each maturity have been or are expected to be sold to the public at prices not higher than such initial offering prices. However, such certificate may indicate that the successful bidder will not offer the Series A, 2004 Certificates and the Series B, 2004 Certificates for sale to the public.

Optional Prepayment

At the option of the college, the Series A, 2004 Certificates maturing on March 1, 2012, and thereafter, may be called for prepayment prior to maturity on March 1, 2011, and thereafter, as a whole or in part at any time, at the prepayment price of 100 percent (expressed as a percentage of principal), plus accrued interest thereon to the prepayment date. At the option of the college, the Series B, 2004 Certificates maturing on February 1, 2010, and thereafter, may be called for prepayment prior to maturity on February 1, 2009, and thereafter, as a whole or in part at any time, at the prepayment price of 100 percent (expressed as a percentage of principal), plus accrued interest thereon to the prepayment date.

Mandatory Prepayment

A bidder may elect to have all or a portion of the Series A, 2004 Certificates or Series B, 2004 Certificates, as applicable, scheduled to be paid in consecutive years issued as term certificates (the term certificates) scheduled to be paid in the latest of said consecutive years and subject to mandatory prepayment requirements consistent with the schedule of serial payments set forth above, subject to the following conditions: Not less than all Series A, 2004 Certificates or Series B, 2004 Certificates, as applicable, to be paid in the same year shall be converted to term certificates with mandatory prepayment requirements and a bidder shall make such an election by completing the applicable paragraph on the official bid form.

Delivery

The college will pay for printing the Series 2004 Certificates and will deliver the same properly prepared, executed and registered without cost to the successful bidder on or about January 29, 2004, to such bank or trust company in the contiguous United States as may be specified by the successful bidder, or elsewhere at the expense of the successful bidder.

Approval of Series 2004 Certificates

The Series 2004 Certificates will be sold subject to the legal opinion of Gilmore & Bell, P.C., Wichita, Kansas, special counsel, whose approving legal opinion as to the validity of the lease and Series 2004 Certificates will be furnished and paid for by the college, printed on the Series 2004 Certificates and delivered to the successful bidder when the Series 2004 Certificates are delivered.

Additional information regarding the Series 2004 Certificates may be obtained from the college's Vice President of Business Services, 125 S. 2nd, P.O.
